

SUNY Sullivan
Certified Nursing Assistant (CNA) Instructor

SUNY Sullivan is seeking a qualified part-time instructor to teach the NYS approved CNA curriculum that requires 120 hours of instruction and clinical hours combined and 12 hours of remediation instruction. The class meets three days a week during daytime hours with most days ending by 3pm.

This course will be taught for the first time this fall 2021, and additional classes will run as needed. The instructional hours will be completed on campus and the clinical component will be taught off campus at approved sites in Sullivan County. The class size maximum is 8 students.

Qualifications:

Adjunct instructors will need to submit:

- 1- Documentation that verifies current New York State Professional Nurse Registration **and**
- 2- Documentation that verifies two years of experience caring for the elderly and/or chronically ill **and**
- 3- Documentation that verifies: (**only one type is needed of the four listed below**)
 - a- certification to teach Nurse Aide or Practical Nursing **or**
 - b- two years of experience teaching nurse aides in a residential health care facility **or**
 - c- three years of experience teaching nursing or nursing related programs to adults in an academic setting approved by the Commissioner of Education **or**
 - d- completion of the State approved "Train the Trainer" program

Course Description:

This course prepares students to provide basic patient care under the supervision of a licensed nurse. Once completed students are eligible to take the state exam to be certified as a Nursing Assistant (CNA). Employment opportunities for CNA's primarily include hospitals, home care and long term care facilities.

Job Responsibilities:

- 1- To teach the CNA curriculum as approved by NYSED.
- 2- To teach both the classroom, lab and supervise the clinical components of the program.
- 3- Provide instruction, assessment and mentoring to students.
- 3- Provide remediation to students if needed before and after the exam if students need to retake the certification exam.

Review of resumes begins immediately. The hiring range for this position is commensurate with faculty ranking. Resumes will be accepted until the position is filled; however, earlier applications will be given priority. Forward your cover letter, resume and contact information for three professional references via e-mail to:
